۵	<p>متن زیر را بخوانید و به سوالات به صورت خواسته شده و کامل پاسخ دهید.</p> <p>There are five billion people in the world and they live in all different parts of it. They live on the snow and ice and also in the jungles. They have climbed the highest mountains and even met the moon.</p> <p>Man is more than other animals in number and also the most powerful of all of <u>them</u> on the earth. However, in many ways, animals can do things better than we can. Some of them can smell, hear, and see better than us. Birds can fly thousands of miles away and return to the same place every year. But there is one thing that makes people and animals different. People can talk. We are great talkers. We can send messages in so many ways. Most important of all, we can write, so we can send messages through time. We can feel the meaning of past and future, not just present.</p> <p>54. What is the most different thing between people and animals? 55. How many people are there in all parts of the world? 56. Can birds find their way back to the same place? 57. The word <u>them</u> in line 4 refers to a. many ways b. animals c. parts of the earth d. flying to far places 58. Man can hear, smell, and see better than animal. a. True b. False 59.
