۴	<p>متن زیر را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.</p> <p>Today, many people go to a university to study for a future job in subjects like law, medicine, physics etc. But, the university is not a modern invention. An important one started in Egypt about one thousand years ago.</p> <p>The world's oldest university, Al - Azhar, is in Egypt. It was first built as a mosque in 972 A.D. in remembrance of the daughter of the prophet Mohammad. A few years later, learners and teachers began meeting in the mosque. They read and talked about religion and law. Around the year 988, government created a school for higher learning and soon after that, Al -Azhar University was started.</p> <p>Because a university was a new idea, the teachers at Al – Azhar needed to think about what subjects to teach and how to teach them. The earliest subjects were law and religion. There was also free discussion. Often, students and teachers had interesting discussions, and there was no "correct" answer.</p> <p>Now, after a thousand years, Al – Azhar is still an important university in the world. Its library has many of the world's oldest and most valuable books.</p> <p>55. Why do a lot of people want to go to a university?  56.
