۴	<p>متن زیر را بخوانید و به سوالات به صورت خواسته شده و کامل پاسخ دهید.</p> <p>Some people think they have an answer to the troubles of car crowding and dirty air in large cities. This answer is the bicycle. In some great cities hundreds of people ride bicycles to work everyday. Some bicycle riders have formed groups of active people who try to ask their city governments to help bicycle riders. They believe if more people rode bicycles, there would be fewer cars in the downtown part of the city and therefore less dirty air from car engines. They suggest that there should be some special lines on some of the main streets for bicycles only. They believe when bicycle riders use the same lines as cars, there are accidents. Also, if there were special lines, more people would use bicycles. But a group of taxi drivers and some shopkeepers don't like the idea.</p> <p>55. How do many people go to work in some big cities? 56. Do taxi drivers like the idea of using bicycles in crowded cities? 57.
